Drivers

If you sign up to drive the box truck, here's what you'll need to know:

- In advance of your first trip, stop in the New Life front office any time with a copy of your driver's license for insurance purposes. (no special license required).
- Stop in at the nZone front desk and ask a staff member for the Passion for Community Truck key.
- The 20ft Box Truck marked "Passion for Community" is parked on the North Side of the nZone.
- **Picking up Donations:** If performing a pickup, you can drive the truck directly to the donor's house. The delivery coordinator will email you the address and list of items for pickup. *Make sure to call the donor when you're on your way!*
- **Deliveries:** Drive the truck to our warehouse to pick up the furniture. A delivery coordinator will meet you there at 9:00 am (Saturdays) to give you the list of items and client or donor addresses. *Make sure to call the client when you're on your way!*
